

8th Grade Discipline Cards

Effective immediately, the discipline plan for 8th grade is changing. This change is being made to make the system more accurately reflect those who fail to follow the rules and to reward those that do. The guidelines are as follows:

1. Each student will receive 4 cards each week, and these cards will have their names on them
2. If a violation occurs, that student will lose one card
 - a. Violations can be dress code, failure to complete homework and other offenses deemed inappropriate by the teaching staff
3. At the end of each week, any student who has all four cards left will receive a reward (these will vary week to week)
4. At the end of the quarter, the class will receive a large reward (movie day/game day for example) if the entire class loses less than a total of 50 cards for the entire quarter
5. If a student loses 2 and 3 of their cards in a week, a demerit will be issued.
6. If a student loses all 4 of their cards in a week, that student will be issued a detention to be served the following week
